The Old Fire Station 1 of 2

Check in/out times

Check-in: 16.00 Check-out: 10.00

Getting around

- We are based in town - you might need a car; buses and trains are locally available.
- The train station in Brandon is about 10-15 mins walk down the High Street.
- Brandon has many car parks around the town and street parking.

Disability access

We would love to host you with your accessibility challenges but I would however point out that the path is gravel and very difficult for wheelchairs and anyone who is not sure of their footing. There are steps into The Old Fire Station. The patio is made from wood and can be very slippery when wet. The property has one step inside the front door. There are no grab rails in the bathroom or kitchen. If you have accessibility challenges I suggest that you call me before booking this property.

Interaction with guests

Everything in the apartment is pretty easy to operate. I like to give my guests space and leave them to themselves. I am available if needed, contact me via phone if you encounter any problems, don't hesitate to call.

House rules

We want to keep the 'rules' down to a minimum. We only ask that you be considerate of your surrounding neighbours.

Directions

Please arrive anytime after 16.00. Check-out time is 10.00 firm.

Here are the directions you will need:

- The Postcode is IP27 0HS
- The Old Fire Station is situated just off the market square on the London Road.
- The property is situated between the Craft Cabin and Total Hair which is opposite Mr G Bowling Alley.
- You can pull up to the front of the building to off-load, then there is street parking or public car parks (George St or Bury Road) in the town. It is a bit awkward but well worth the bother!
